ESI-30 SIP

For Select Users

The ESI-30 SIP phone is perfect for lower-traffic users who need access to system features, but require less features and customization. Users can also utilize the integrated Web-based dashboard, with features such as Contacts and Call History.

Fixed Feature Keys include: Mute/DND, Hold, Voice Mail, Transfer, Conference, Speaker, Redial, Delete and Menu/Exit.

This phone is included in the price of a Select User seat.

ESI-45 SIP

For Premier Users

The ESI-45 SIP phone provides a full feature set to administrative or executive users who need access to advanced features and functionality. Users can also utilize the integrated Web-based dashboard.

Fixed Feature Keys include: Mute/DND, Hold, Voice Mail, Transfer, Conference, Call Forward, Help, Contacts, Record, Volume/Scroll, Speaker, Redial, Release, Delete and Menu/Exit.

This phone is included in the price of a Premier User seat.
